

GET TOUGH

ENDURANCE[®] RST[™]

GOODYEAR'S BEST REGIONAL AND SPREAD AXLE TRAILER TIRE FOR LONG MILES TO REMOVAL

Spread-axle tires take a lot of punishment, but the Endurance RST is made to handle it. With more tread depth than conventional trailer tires and a robust rib design, the Endurance RST packs the toughness you need to transport heavy loads again and again. Its rugged features help resist treadwear and enhance tread life.
