

ULTRAGRIP[®] RTD[™] *REGIONAL TRACTION DRIVE*

GOODYEAR'S BEST WINTER OR ALL-SEASON REGIONAL DRIVE TIRE FOR TRACTION AND GRIP IN EXTREME CONDITIONS

- **WEATHER, OR NOT**
Innovative tread compound helps deliver grip in diverse weather conditions
- **NEVER WORSE FOR THE WEAR**
Evolving open shoulder tread design and complex siping help to provide excellent traction in wet and snowy conditions
- **STONES GET STONEWALLED**
Conical stone protectors limit stone drilling and improve durability
- **GET GOING, EVEN WHEN IT'S SNOWING**
Directional tread design helps evacuate snow and water for Three-Peak Mountain Snowflake (3PMSF) traction even when worn 50%
- **BEST-CASING SCENARIO**
Premium enhanced casing helps provide toughness and durability

Three-Peak Mountain
Snowflake (3PMSF)

GOODYEAR
MORE DRIVEN.

*Meets Three-Peak Mountain Snowflake (3PMSF) Traction Requirements.

“ The Goodyear UltraGrip RTD tires exceeded all expectations. There were times while driving in inclement weather where I normally would have pulled over because there was slipping or when there was not enough traction to continue hauling. With these tires installed onto my truck I drove confidently through a plethora of weather. This has helped my business continue to bring in revenue and greatly quelled the stress that comes with winter driving.

– BRADY FAULKNER, Owner Brady Faulkner Trucking, Lower Sackville, Nova Scotia
