Goodyear® is one of the best-known tire brands in the industry, and it’s more than just an iconic name. It’s a brand that stands for reliability, integrity and innovation — a brand that continues to earn the trust of customers again and again.
LEADERS IN INNOVATION

Goodyear’s broad experience drives progress across a variety of applications, including consumer, commercial, off-the-road (OTR), aviation and racing tires.

119+ YEARS
of continual innovation

90+ YEARS
of driving retread quality

2,600+ ENGINEERS & SCIENTISTS
around the globe

37 MANUFACTURING PLANTS
with offices in almost every country

PREFERRED BY FLEETS

91% of fleet customers are satisfied with Goodyear*

86% of fleet customers would recommend Goodyear tires*

*2013 Lieberman Research Worldwide Brand Health Study.
Innovative products for any fleet application
Features innovative technologies like DuraSeal™, Fuel Max® and UniCircle®

2,300+ locations throughout North America ready to help your fleet
Consistent, efficient service with every visit

Real-time tire monitoring, intelligent analysis and customized reporting
All in the name of optimizing your fleet, your budget and your time
**TIRES AND RETREADS THAT HELP DRIVE FLEET SAVINGS**

Having the right products is an important part of any fleet’s Total Solution. Goodyear® offers a wide selection of innovative tires that feature advanced technologies to help fleets of any size and application reduce their operating costs.

A GOODYEAR® DEALER NETWORK
THAT’S BUILT AROUND YOU

With more than 2,300 locations and industry-leading roadside service, Goodyear Commercial Tire & Service Centers and Network Dealers are always nearby to give you a helping hand. We have the experience, knowledge and services to help keep your equipment up and running.

PROFESSIONAL FLEET SERVICES

Goodyear Commercial Tire & Service Network members use state-of-the-art service equipment, and our trained technicians adhere to the Tire Industry Association CTS 200 level for high-quality service at any location.

• 24-hour emergency road service
• 2-hour target roll time
• Sustainable and cost-saving retreading for commercial and off-the-road tire casings
• Fleet survey to enhance tire longevity and performance
• Tire performance monitoring for both commercial and off-the-road tires

THE FLEETHQ2GO APP

Instantly connects drivers to 24/7 roadside service in a couple quick taps of a screen.

[Links to App Store and Google Play]
LET GOOD YEAR®
LEAD THE WAY

Get real-time tire monitoring, intelligent analysis and customized solutions, all in the name of optimizing your fleet, your budget and your time.

TIRE MONITORING — STAYING AHEAD OF THE GAME

- Digital inspections
- Automated inspections
- Real-time active monitoring

INSIGHTS AND ANALYSIS — DATA IS THE NEW STREET SMARTS

- All data is transmitted to the Goodyear® Mobility Cloud™
- Custom tire insights based on your unique specifications
- Reporting and alerts to help you proactively manage critical tire data on your terms

SERVICE ACTIVATION — ALWAYS BY YOUR SIDE

- 24/7 industry-leading roadside assistance
- 2,300+ Goodyear® Commercial Tire & Service Network Locations
- Service coordination through Goodyear® Fleet HQ™
- Insights to help intelligently direct labor
TIRE MANAGEMENT TOOLS EXCLUSIVELY FROM GOODYEAR

Proper fleet tire management is about more than putting the right tires on the right vehicles. Using industry-exclusive tire monitoring tools, Goodyear analyzes real-time tire data, alerts fleets with valuable insights and delivers timely service to minimize tire costs down and maximize vehicle uptime.

**GOODYEAR® TIRE OPTIX**

This digital inspection toolset enables you to capture data accurately and efficiently with instant results.

**GOODYEAR® TPMS PLUS**

TPMS Plus is a connected, active monitoring system that goes beyond the benefits of traditional dashboard monitoring. Using Goodyear’s unique, fleet-specific algorithms, TPMS Plus helps identify critical issues, inflation trends and much more, allowing you to be proactive instead of reactive.

**GOODYEAR® CHECKPOINT™ — DRIVE-OVER READER**

Goodyear CheckPoint provides automated inspections of tire pressure and tread depth. Ideal for high-volume yards, this solution enables large quantities of vehicles to be inspected and offers a frequently updated snapshot of tire health.
GOODYEAR® INNOVATIONS TO HELP REDUCE COST

**FUEL MAX® TECHNOLOGY**

Goodyear tires with Fuel Max Technology can help fleets save money on one of their largest operating costs — fuel. Featuring innovative fuel-saving compounds, tire constructions and tread designs, Fuel Max tires help reduce rolling resistance in every wheel position.

**DURASEAL TECHNOLOGY®**

The world’s first built-in tire sealant for commercial truck tires, DuraSeal Technology helps reduce downtime and costly repairs by keeping trucks moving in the face of nails, screws and other sharp objects. Tires with DuraSeal Technology instantly seal punctures up to 1/4" in the face of the tread* to help keep hardworking fleets moving.

*Seals up to 1/4-inch tread punctures only. Does not seal sidewall punctures.

**UNICIRCLE® RETREAD TECHNOLOGY**

Goodyear can help extend the life cycle of tires with innovative, spliceless UniCircle retreads. Installed with no cutting, UniCircle retreads are uniform and balanced and help fleets get long miles to removal.

### COMPETITIVE REPLACEMENTS

**SUPER-FUEL TREAD COMPOUNDS** help promote low rolling resistance and increased fuel efficiency

**PROTECTIVE SHOULDER COMPOUND** helps guard the outer tread from accidental curb damage

**PREMIUM ENHANCED CASING** helps provide toughness and durability for maximum retreadability

**ADVANCED SIDEWALL COMPOUND** helps lower rolling resistance and promotes fuel efficiency for SmartWay verification

**PRESSURE DISTRIBUTION GROOVE** helps promote even wear

FUEL MAX SST® DURASEAL™

**SUPER SINGLE TRAILER**

GOODYEAR’s BEST WIDE BASE LONG HAUL TRAILER TIRE FOR LONG MILES TO REMOVAL AND FUEL EFFICIENCY WITH PUNCTURE-SEALING TECHNOLOGY

**VOCATION**
- Long Haul

**TECHNOLOGY/CERTIFICATION**
- Wide Base
- DuraSeal™
- Fuel Max
- SmartWay Verified

**WHEEL POSITION(S)**

![Wheel Position](image)

**SPECIAL TREAD COMPOUND** for enhanced fuel economy and SmartWay verification

**OPTIMIZED TREAD DESIGN AND TIRE FOOTPRINT** promote even wear and long miles to removal

**PREMIUM ENHANCED CASING** helps provide toughness and durability for maximum retreadability

**ADVANCED SIDEWALL COMPOUND** helps lower rolling resistance and promotes fuel efficiency for SmartWay verification

**BUILT-IN DURASEAL TECHNOLOGY** helps seal tread punctures and reduce downtime*

*Seals up to ¼” diameter punctures in the repairable area of the tread. Does not seal sidewall punctures.

**FEATURING DURASEAL TECHNOLOGY**
