GOODYEAR’S BEST MIXED SERVICE DRIVE TIRE FOR DURABILITY AND TRACTION IN SEVERE APPLICATIONS

- ROCKS OUT
  Optimized tread geometry improves resistance to stone holding*

- THICK-SKINNED
  Enhanced under-tread and additional penetration protectors help reduce stone drilling and improve casing durability

- FIGHTS TOOTH AND CLAW
  Aggressive, deep, self-cleaning 32/32" tread design helps minimize mud and snow buildup for enhanced off-road traction

- MADE STRONGER TO LAST LONGER
  Severe service tread compound helps resist cuts, chips, tears and provides long miles to removal

- CHAINS OF COMMAND
  Innovative sidewall design allows chains to be placed above tread blocks and helps minimize slippage for enhanced performance

**Complementary Product**

**ALL-POSITION**

Armor Max® MSA

**Competitive Replacements**

- Bridgestone M775
- Michelin X Works Grip D

Recommended Applications

- Enhanced under-tread helps improve casing durability.
- Optimized tread geometry improves resistance to stone holding.
- Additional penetration protectors help reduce stone drilling.
- Innovative sidewall design allows chains to be placed above tread blocks and helps minimize slippage for enhanced performance.

New! Armor Max ESD

- Trustworthy performance in passenger car, truck and bus applications
- Low rolling resistance
- Enhanced durability

**TOTAL MOBILITY™**

- **Trusted Products**
  - Full range of tires, technologies and retreads with options for every fleet.
- **Premier Service Network**
  - Reliable service network of 2,300+ dealer locations nationwide.
- **Complete Tire Management**
  - Unparalleled programs and tools to optimize tire assets and ROI.
