GOODYEAR’S HARDWORKING MIXED SERVICE TIRES

The Goodyear® Workhorse MSA and Workhorse MSD tires deliver proven performance for various mixed service applications. A high-mileage tread compound and enhanced tread volume help offer many miles to removal for less downtime, while rugged casing construction enhances toughness and retreadability in heavy-duty, off-road applications.
## WORKHORSE MSA

**ALL POSITION TIRE OFFERING SUPERIOR OVER-THE-ROAD PERFORMANCE**

- High-mileage tread compound and enhanced tread volume help offer many miles to removal for less downtime
- Wide footprint helps enhance mileage and helps improve cornering and handling
- Tread radius helps improve cornering and over-the-road traction
- Tread design helps reduce road noise for a quiet ride
- Penetration protectors help resist stone drilling for retreadability
- Steel-belt package helps offer toughness and outstanding performance

## WORKHORSE MSD

**MIXED SERVICE DRIVE TIRE FOR ON- AND OFF-ROAD**

- Rugged casing construction enhances toughness and retreadability in heavy-duty, off-road applications
- Deep 31/32” tread with rugged lug configuration helps deliver traction in difficult terrain
- Advanced tread compound helps resist cuts and chips for rugged off-road performance
- Deep undertread helps promote cool-running performance on the road
- Steel-belt casing helps enhance retreadability
